## Biotechnology Journal (BTJ) Call for Manuscripts

Dear Colleague,

At the occasion of the 8<sup>th</sup> ESBES meeting on Biochemical Engineering Science taking place in Bologna, Italy, September 5-8 2010, I'm pleased to announce that the proceedings will be published in the *Biotechnology Journal*. The journal continues to cover red, white and green biotech but also puts a special emphasis on systems and synthetic biology, nanobiotech and medicine. It is indexed in Thomson Reuters ISI/SCIE Web of Science, MEDLINE/PubMed (NLM) and others. I will now put together a special issue on

“ESBES proceedings”

Scheduled for May 2011

Submission deadline: October 15th, 2010

[www.biotechnology-journal.com](http://www.biotechnology-journal.com)

I have selected your submitted abstract and would like to invite you to submit a **Research Article, Short Communication or Technical Report** on the topic of your work or presentation. If you would like to contribute a **Review Article**, please contact me with a draft. If you indeed agree to prepare a manuscript for invited submission, you will receive instructions for manuscript preparation and a login for online submission.

Your manuscript will undergo fast but thorough peer review by our international board of experts, with an average time of

- **30 days from submission to decision**
- **6 weeks to online publication.**

We also invite companies and academic researchers to submit Forum magazine contributions, like company profiles, meeting reports, research highlights etc...Forum papers are short and no color charges are applied. Some highlights may also be selected for publication in the BiotecVisions magazine ([www.biotecvisions.com](http://www.biotecvisions.com)).

I will be very happy to receive a contribution from you or your co-workers, on the topic you will be presenting at the conference. Could you please let me know as soon as possible and BEFORE THE CONFERENCE what kind of manuscript you could think of submitting?

I'm looking forward to meeting you in Bologna!

Yours Sincerely,

Professor Alois Jungbauer  
ESBES Chairman  
Co-Editor-in-Chief of Biotechnology Journal
