

JOURNAL OF CHROMATOGRAPHY A

For the attention of: ISPPP 2010 Participants

Dear Author

Re:30th International Symposium on Proteins, Peptides and Polynucleotides (ISPPP), Bologna, Italy (Sept. 5-8, 2010)

On behalf of the Editors of the **Journal of Chromatography A**, may we take this opportunity to congratulate you with the acceptance of your Abstract for presentation at the ISPPP meeting:

In consultation with the Organising Committee for the ISPPP 2010, agreement has been reached for the publication of papers from this meeting as a special issue of our **Journal of Chromatography A**. You are cordially invited to submit your paper for inclusion in this issue, though it is important to note that all papers will be subjected to the standard, stringent, peer review procedure which is mandatory for this journal. Acceptance of your Abstract for presentation at the meeting is no guarantee that it will be accepted for publication in the special issue.

To enable us to deal with the contributions as quickly and efficiently as possible, you are kindly invited to submit your manuscript via the journal's online submission and reviewing system which is accessible via the following URL:

<http://ees.elsevier.com/chroma>

Please refer to the instructions detailed below for submitting your manuscript:

To Submit:

- go to <http://ees.elsevier.com/chroma>
- click on the "submit paper" option from the top menu
- enter your user name and password (first time users will have to register first)
- After entering the title of your manuscript, please select **ISPPP 2010** as the "Article Type"
- Follow the remaining step-by-step instructions for submitting your paper

Points to Note:

- The deadline for submitting your manuscript to the **ISPPP 2010** Conference issue of the **Journal of Chromatography A** is **11th October 2010**.
- All manuscripts will be subjected to the standard, stringent, peer review procedure which is mandatory for this journal. Acceptance of your Abstract for presentation at the meeting is no guarantee that it will be accepted for publication in the special issue.
- When preparing your manuscript please follow the journal's Guide for Authors, which you can find on the online submission site <http://ees.elsevier.com/chroma>

- Please ensure that you mention that your manuscript is intended for the **ISPPP 2010** special issue.

If you experience any technical problems or have any technical questions during the submission process, please contact Elsevier's Author Support: authorsupport@elsevier.com. If you have any questions on the submission and/or reviewing process, please contact the Editorial Office: chroma@elsevier.com

May I wish you every success with the eventual publication of your manuscript – we sincerely hope to include your manuscript in the special issue.

With best wishes,

Patricia Massar
